ACME HIGH SCHOOL

2019-2022

➤ WORK EXPERIENCE

HIGH PERFORMANCE COORDINATOR | ARCHERY ALBERTA

2025-Present

I redeveloped the Team Alberta program, and worked with athletes to recognize what they need, and how to help their development. I created a selection procedure, and a team framework, and organized a funding matrix to support athlete travel to National and International events.

RESEARCH ASSISTANT | SPORT INSIGHT

Fall 2024

Supporting researchers during data collection by placing anatomical markers on participants, setting up and calibration of force plates and motion capture cameras, and processing motion capture data.

VISITOR SERVICES TEAM LEAD | ROYAL TYRRELL MUSEUM OF PALAEONTOLOGY

2023-2026

Supporting guests by answering questions, providing directions when necessary to ensure a great experience during their visit, and supporting cashier staff with training, troubleshooting, and conflict resolution.

BARISTA | STARBUCKS COFFEE CO.

2020-2022

Ensuring customer experience is beyond expectation through excellent customer service, while also processing and crafting thousands of orders per day.
